Nancy and Kelsi – here is the pdf version of the LxL for Boston, which I brought over this afternoon in hard copy – thanks to Jane for pointing me to her archive of briefing books.

As we discussed, haven't been able to find a copy of the CEC Council Session LxL hosted by Lisa Jackson in New Orleans, but will continue to search.

Re question about JPAC, the Boston LxL shows McCarthy – without her MX and CA counterparts -- meeting informally for 35 min with JPAC members the afternoon of the 14th, just ahead of the formal CEC Council Session opening and reception. Both the public agenda and the LxL show that ministers did not participate in the JPAC meeting on the 14th. A quick look at the 2016 CEC hosted by MX shows that McCarthy met with US JPAC members just ahead of the official CEC Council Session opening and reception, and again the ministers were not part of the regular JPAC meeting that preceded the Council Session. Will inquire with Luis re OK City plan for JPAC.

Thanks .. the line by line would have been in the Administrator's office here in DC – and hopefully OITA would have gotten a copy – I also have asked region 1 to search their emails for the Boston one and will loop in region 6 for the New Orleans ones.

Thanks ng

Nancy/Martin/Jane– We'd like to see a detailed LxL from when former EPA Administrators Gina McCarthy and Lisa Jackson hosted the CEC Council Sessions in their hometown. We currently only have the "official" portion, but would like to see the full version.

Also, any sort of press releases/media advisories that were sent out surrounding these two would be helpful.

Thank you!

Kelsi
